

## **Say “DO NOT CALL” to Unwanted Telemarketers**

A national Do-Not-Call Registry has been established to address unwelcome telemarketing calls. The registry applies to all telemarketers, with the exception of businesses with whom you have an existing relationship and certain non-profit and political organizations. Commercial telemarketers are not allowed to call you if your number is listed on the registry.

Consumers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call Registry at no cost, either by telephone or via the Internet. To register by telephone, call 1.88.382.1222. For TTY, call 1.866.290.4236. You must call from the telephone number you wish to register.

You also may register, or obtain additional information via the Internet at [www.donotcall.gov](http://www.donotcall.gov). Inclusive of your telephone number on the national Do-Not-Call Registry will be effective 31 days following your registration.

The Federal Communications Commission requires that this notice be provided to our customers on an annual basis.
